Air pouch if available six copies Senate Judiciary
Internal Security Subcommittee hearing on "Communist
forgeries" dated June 2, 1961, giving testimony of
Richard Helms of CIA. We have good opportunity placing
copies in hands few key officials who impressed and
concerned by our argument that Ghana being used both to
originate and replay bloc propaganda. We could also use
any other unclassified material giving factual evidence bloc
propaganda techniques if it relatively brief and up to date.
